About Us

Dear Valued Customers,

On behalf of TILI Trading Service Co., Ltd., we sincerely extend our greetings and best wishes for your continued health and success.

TILI specializes in importing and distributing high-quality nuts and premium food products from key markets such as the USA, Europe, and Australia. We are proud to be a trusted supplier to leading retail chains in Vietnam, including Co.opmart, Lotte Mart, MM Mega Market, AEON Mall, and Emart.

From humble beginnings, TILI has steadily grown into a nationwide supplier, driven by a strong commitment to professionalism and service excellence. We consistently deliver premium products supported by reliable supply chains, competitive and transparent pricing, and accurate, on-time delivery.

Mission

To build lasting customer trust by continuously improving and innovating to meet evolving market demands.

Our Commitments

- Deliver consistent, high-quality products with accurate quantities
- Maintain stable and standardized product quality
- Respond proactively to market trends and customer needs
- Ensure timely and reliable delivery

Motto

“Quality is our mission”

Delivering health, value, and excellence in every product.

Product & Device

Product Quality

We are committed to delivering premium-quality food products that are natural, fresh, and safe for consumption. All products are carefully selected from trusted international suppliers and undergo strict quality control processes before reaching the market.

- 100% natural ingredients, no harmful additives
- Carefully preserved to maintain freshness and nutritional value
- Consistent quality across all batches
- Fully compliant with food safety standards

Our products are designed to meet the increasing demand for healthy, high-quality food choices in modern retail markets.

Advanced Equipment & Technology

To ensure product integrity and supply consistency, TILI has invested in modern equipment and processing systems imported from leading international manufacturers.

- Advanced storage and preservation systems to maintain product freshness
- Standardized handling and packaging processes
- Strict operational control to minimize contamination risks

These investments enable us to maintain stable quality, efficient operations, and reliable supply capacity for our partners.
