**Establishment and Development**

Au Lac Vegan Food Trade - Manufacture Co., Ltd. is a leading vegan food producer in Vietnam, equipped with advanced machinery and technological lines imported from Germany and European countries. With the criterion of "natural healthy food", we have more differentiated products. Packaged in different ways: seasoning, instant, pasteurized, can, frozen, dried, beverage, cake products... to meet consumer demand for healthy and complementary products.

**Scope of Operation**

Our products are not only displayed and distributed in supermarkets and more than 30 Au Lac Vegan Food Showroom branches nationwide, but also exported to international markets such as Germany, Canada, USA, and Thailand, Singapore, Australia... Our focus is on manufacturing them with hygiene and safety in mind first, made with eco-friendly technology. The product lines are all focused on health and nutrition, helping to expand consumers' choices by diverse products.
