A TRUE STORY ABOUT THE JOURNEY OF AGRICULTURE FOR PROSPERITY.....

OUR STORY

MR. NINE VIETNAM IMPORT EXPORT COMPANY LIMITED

We are a group of young people from the rich countryside of Vietnam, driven by a love for our homeland and the aspiration to elevate the value of its agricultural products.

FORMATION

MR. 9 Vietnam Import Export Co., Ltd was established in January 2022. On the foundation of the domestic company MR. 9 Agriculture Company Limited, MR9 Vietnam Import Export Company Limited was established to realize our global aspirations.

At MR9 Agriculture, we are suppliers of safe, specialty Vietnamese agricultural products to over 500 partners, including retailers, supermarket chains, and hypermarkets nationwide.

FOUND OPPORTUNITIES

Throughout the process of facing and overcoming the harsh challenges of the Vietnamese agricultural market, the ship of MR9 Agriculture has navigated through difficulties and found solutions, gaining a solid foothold. This has attracted international partners, and we've started exporting agricultural products abroad. From tens of kilograms to several tons, our products have reached global consumers.

But that wasn't enough to meet the global demand for Vietnamese agricultural products. Seeing an opportunity, MR9 Vietnam Import-Export Co., Ltd. was established with the ambition to self-manage every stage, from selecting materials to processing and exporting directly to customers, without intermediaries. This ensures tighter, clearer, and more transparent controls.

MISSION OF MR. 9 VIETNAM

Building on our solid domestic market presence, we, MR9 Vietnam Import-Export Co., Ltd., are determined to bring Vietnamese agricultural products to the world.

Carrying the mission of enhancing the value of Vietnamese agricultural products and promoting them internationally, we are fully committed to spreading the message of how amazing Vietnamese agricultural products truly are, both domestically and globally!
