Introduction
Nam Viet Foods & Beverage JSC

Nam Viet F&B (Vinut brand) is a leading beverage manufacturer from Local & International Millennials, with desires and dreams to bring "Made in Vietnam" products to the world. With a clear customer-centric strategy in mind, we're trying our best day by day to bring healthy natural drinks to consumers worldwide.
Nam Viet F&B is committed to constantly investing in technology, researching technology, and carefully selecting the best material, the safest product quality for users. Not only that, but Nam Viet F&B has also introduced new products to serve consumers. Through solutions that continue to invest in equipment and machinery, improve productivity, production processes, together with improving products and packaging to suit the market, giving priority to attracting training and developing human resources. In addition, our company also applies solutions to save electricity, water, and steam to improve production efficiency and create a premise for sustainable development in the future.

• **In 2016: Nam Viet Food and Beverage Company** was officially established with the original name of Nam Viet Food and Beverage One Member Company Limited with small-scale production that includes 65 kinds of products derived from nature and exported to 45 countries around the world.

• **In 2017:** We expanded the factory to increase production capacity up to 10,000,000 liters/year with a total of 200 workers, 85 kinds of products, and exported to 88 countries around the world. Also in this year, Nam Viet Company had exclusive rights to produce Noni Juice for the Korean market. In particular, Nam Viet Company has produced coconut water and fruit juice for the fastidious market in Russia.

• **In 2018:** the Nam Viet food factory was built with a total area of 30,000m2 specializing in the production of plant-based milk for the European market. At the same time, to build a standard fruit tree farm to provide an abundant source of raw materials for the factory's production process. We also exported to 108 countries in the world and won the title of High-Quality Product and Brand in 2018.

• **In 2019:** The third factory was built in Ben Cat town, Binh Duong province with a total area of 60,000m2. We joined the global supply chain and passed the Sedex Smeta 6.1 social responsibility assessment.

• **In 2020:** Our company increased charter capital to 100 billion, exported to over 180 countries around the world. We also successfully obtained WCA (Workplace Condition Assessment) and GSV (Global Security Verification) certification, and BRC (Global Standard for Food Safety Issue 8) certification. We achieved to Top 10 Asean Award; Top 50 famous brands 2020; Top 50 competitive brands 2020.

• **In 2021**, the company exported to over 185 countries around the world, changed to a Joint Stock Company. We successfully passed the Supply Chain Security (SCS) assessment and entered the Walmart supply chain. Our revenue increased 44% year over year.

Up to now, Nam Viet owns:
5 factories which produce kinds of pure fruit juices, nutritional drinks, plant kinds of milk, 1 tropical fruit farm, 1 eco-tourism area, 42 production lines, 1 laboratory,
9 certifications of food safety and hygiene standards,
2 certification program reports global supply chain social responsibility,
1 R&D center
14 types of technology, 968 employees, with production capacity is 1,724,173 liters/day.

We own 3 registered brands: Vinut, Jojonavi, and Joy, which have been known as high-quality drinks from a trusted manufacturer, available in many countries through our distribution systems, in cooperation with partners. Besides the production, Nam Viet also provides convenient logistic service to all ports in the world via air or sea shipments.
Thanks to the quality of the raw materials in safety, our products can co-traced the source of the production chain in the supply chain. Vietnam's products have also overcome strict policy barriers that are exported to the struck markets such as Korea and Russia, the USA, Australia, Canada, Germany, Japan...
