

ABOUT US

Darlac Farms Fruits Limited Company boasts over 10 years of experience in manufacturing, distributing, and exporting dried fruits, proudly delivering exceptional Vietnamese products and services to both domestic and international customers.

Equipped with modern factories and advanced freeze-drying technology, Darlac Farms ensures strict quality control at every stage – from raw material selection to processing and packaging. Our dedicated team of professionals and skilled workers share the same passion: to create safe, nutritious, and innovative fruit products that meet global standards.

VISION
 Darlac Farms aims to become a trusted partner in the agricultural and food sector, contributing to the sustainable development of the Central Highlands region and fostering a community that values and embraces qualities such as excellence, safety, and social responsibility.

MISION
 To ensure customer satisfaction by delivering the utmost quality in our products and services. Simultaneously, we commit to supporting farmers in the Central Highlands region, assisting them in achieving prosperity on their land, and engaging in sustainable and socially responsible development activities.

We are certified by BRC, ISO 22000, FDA, and other international standard . For many years, we have consistently led in quality and productivity, ensuring safe and reliable business operations. Darlac Farms Fruits Limited Company applies modern machinery systems and is operated by highly qualified team of managers, staff and worker with experience and strong expertise, ensuring the creation of the highest-quality products and services.

PACKAGING DETAIL

Darlac Farms implements a standardized and tightly controlled packaging system to ensure maximum protection of product quality, appearance, and freshness at every stage. This packaging process not only maintains product stability throughout storage and transportation but also optimizes warehouse space, minimizes damage and enhance overall logistics efficiency

PRODUCT LIABILITY

The products produced by Darlac Farms represent the most tangible value we provide to our customers, serving as the link that connects us with our stakeholders. Throughout our operations, Darlac Farms has been consistent in our commitment to creating safe, nutritious products that prioritize human health.
