COMPANY INTRODUCTION

Established in 2016, **NAM VIET FOODS AND BEVERAGE JSC** is a leading beverage manufacturer and exporter based in Vietnam, offering a diverse range of products in over 200 countries and territories. By utilizing the country's rich fruits and agricultural resources, we create premium beverages that provide real value to both consumers and the local farmers we work alongside.

We believe in building strong partnerships with farmers, ensuring stable markets that enhance their livelihoods and contribute to rural economic development. Our commitment to quality and sustainability is reflected in every step of our production process, ensuring our products meet global standards while promoting ethical practices. With a focus on making a positive and sustainable impact in Vietnam's agricultural sector and the global beverage industry, we aim to build a trusted and sustainable business for all stakeholders involved.

PRODUCTS

For each and every product we offer to consumers, we carefully select only the finest options that not only deliver great taste but also encourage repeat enjoyment whenever they need to quench their thirst. Additionally, we priority health benefits, as consumer awareness and demand for healthier choices continue to rise.
