02

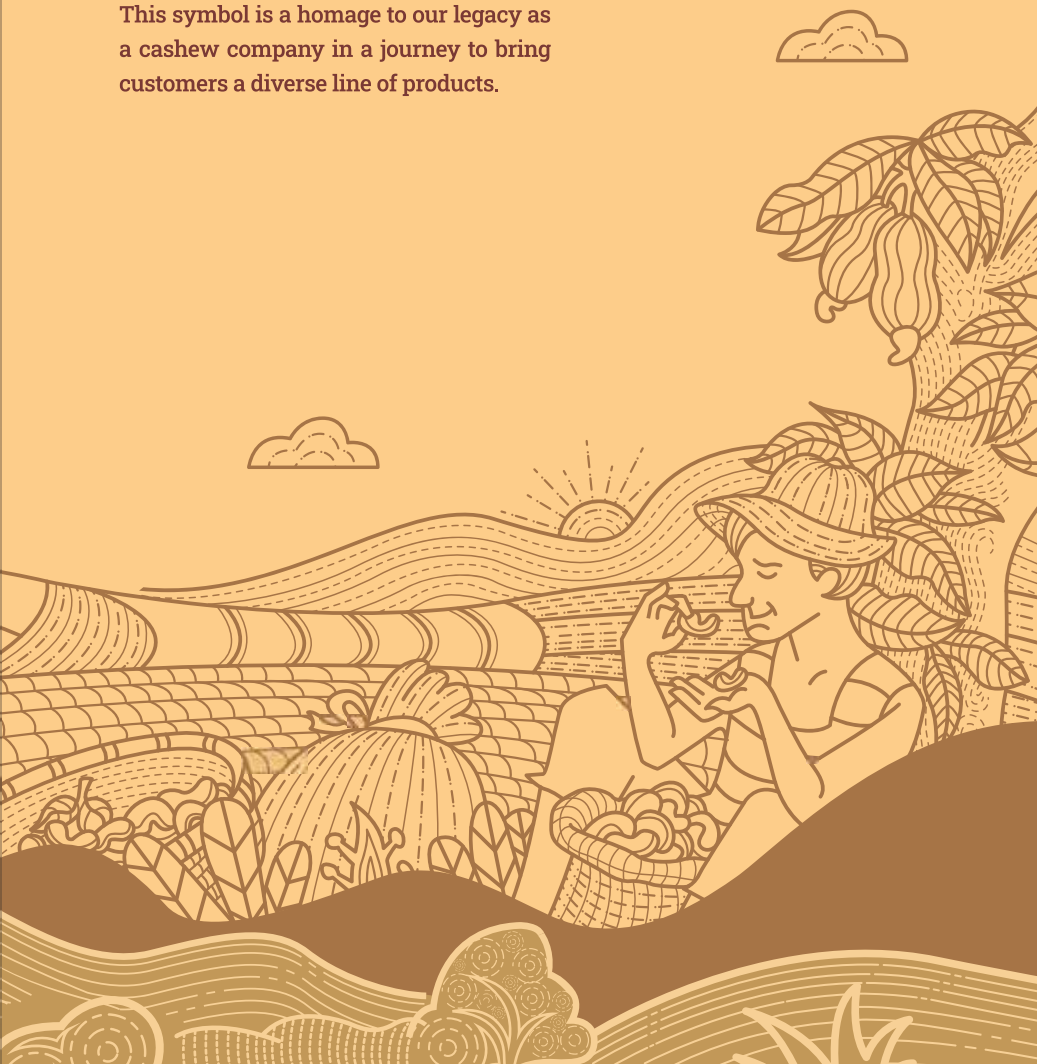

Brand story

LAFOOCO has a life-long heritage of crafting products with love thanks to our deep understanding of nuts and fruits, together with the state-of-the-art technology.

With our dependable and transparent services, LAFOOCO is proud of being among Vietnam's famous brands to supply premium quality nuts and dried fruits worldwide through meaningful partnerships in various high-end markets.

We are committed to bringing the highest quality products that meet the strictest standards by devoting our whole heart to our customers and farmers. Our wholehearted approach is illustrated with the heart-shaped cashew on our logo. This symbol is a homage to our legacy as a cashew company in a journey to bring customers a diverse line of products.

03

Our values

Mission

LAFOOCO is dedicated to providing the world with nutritious agricultural products of consistent standards, high quality and safety.

LAFOOCO always harmonizes the mutual welfare of Customer – Staff – Shareholder – Society.

Our Vission

LAFOOCO will become the top manufacturer of nutritious agricultural products of consistent standards, high quality and safety in Vietnam and progressively to the world.

Our commitments

- 1 Innovating day-to-day business practices.
- 2 Motivating our employees to contribute and develop themselves.
- 3 Ensuring the best conditions and benefits for farmers.
- 4 Improving our working ethics and manufacturing processes.
- 5 Minimizing our environmental footprint to enhance our corporate social responsibility.

Our mission on organic products

LAFOOCO is motivated to meet our consumers' demand for organic products through technological innovations and organic certification. Our commitment has led us to develop our organic cashew project, in which we control all processes from start to finish.

We have expanded our organic cashew farm to catch up with the growing demand under strict control in using organic fertilizers, training farmers how to take care of plants, avoiding using chemicals during growing periods. Thank to our closed circuit control, our organic cashews are EU, USDA, JAS organic certified.

Our value chain

LAFOOCO continuously innovates production lines with state-of-the-art technology from sourcing, processing to packaging.

Our production process is controlled under prestigious standards such as BRCGS, HACCP, HALAL, SMETA-SEDEX, FDA.

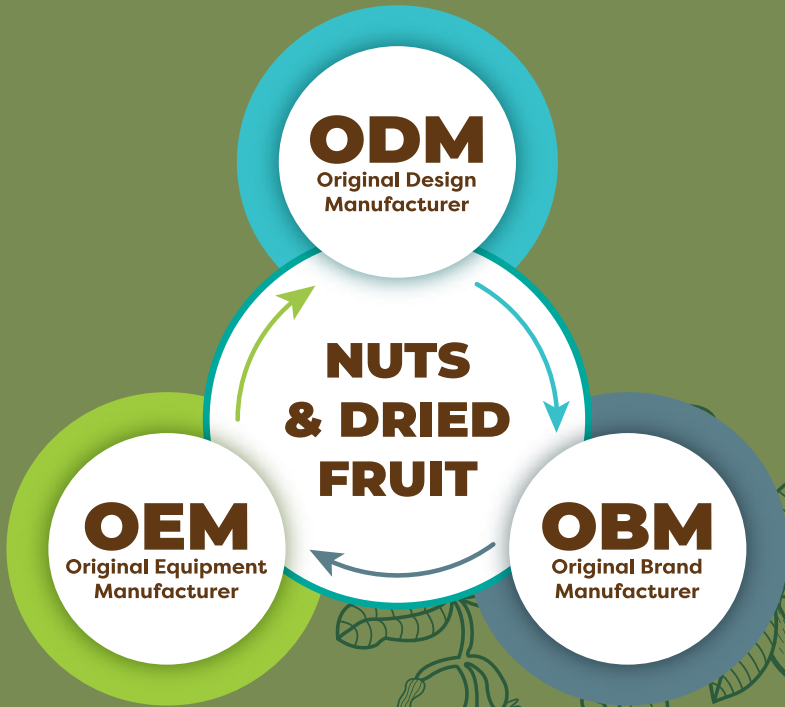

04

Our services

In addition to our "LAFOOCO since 1985" brand, we provide ODM/OEM/OBM service tailored to customer requests. Our reliable work and experience will help customers quickly expand their brands in their target markets. Our services have been widely trusted by supermarket chains around the world, including those in Canada, the USA, Hong Kong, Japan, China, Europe, etc.

Organic Cashews

Since 2020, LAFOOCO has continuously expanded our organic cashew farm in Binh Phuoc Province. This farm plays an important role in

our journey to bring organic cashews processed under USDA, EU, JAS Organic Certificate to our global consumers.

Cashews

With 100% of ingredients from local farms in Binh Phuoc and Dong Nai, we control the whole process from raw materials to finished products. Thus, we can ensure our high standards and offer products with premium flavours to customers around the world.
