HEADQUARTER

Address: 8th floor, Plaschem Building, 562 Nguyen Van Cu Street,
Gia Thuy Ward, Long Bien District, Hanoi, Vietnam

INTRODUCTION

Thanh An Company Limited was established on November 23, 1998. Over the past 26 years of operation, we have constantly strived to improve our staff capacity. Currently, we have more than 500 staff and experts with in-depth knowledge and rich experience in grain production. We are the first producer in Vietnam to have successfully combined different types of grains and precious herbs to create unique and healthy cereal products.

With the strategic vision to become an expert in PLANT-BASED nutrition and be recognized as the PIONEER in the Vietnamese cereals industry, we make ceaseless efforts to provide nutritious, nourishing and affordable meals for consumers not only in Vietnam but all over the world.

Our Board of Directors are always driven towards a balance between economic benefits, public health, social responsibility, and environmental protection.

BRAND STRATEGIC POSITIONING

Be and be recognized as the pioneer in the Vietnamese cereals industry to provide nutritious, nourishing and affordable meals - the best experiences for consumers.

THE EXPERT IN CEREALS

100% INGREDIENTS FROM WHOLE GRAIN CEREALS

FULL-OF-NUTRITION ONE MINUTE MEAL

VISION
Become the leading expert in cereals industry in Vietnam as well as foreign markets.

MISSION
Bring about value for community, benefits for shareholders and employees as well as good opportunities for partners.

CORE VALUES
Become the expert in public health, improving Vietnamese stature and value.

Development Journey

1998

Thanh An Company Limited was established on November 23, 1998 as a supplier of dairy ingredients for almost all dairy factories in Vietnam.

2011

Our first 5000m² factory was built in Ninh Hiep Industrial Zone, Gia Lam, Hanoi. This is our first factory to produce cereal products with industrial scale.

2014

We researched and succeeded in producing ready-to-drink cereal (Cereal milk) under Vietngucoc (Vietcereal) brand, meeting market demands regarding convenient nutritious products.

2019

Our second factory was in operation to produce breakfast cereal-Granola, under Oatta brand. This newly-added facility upgraded our manufacturing capabilities to 10,000m² in Ninh Hiep Industrial Zone, Hanoi.

2024

The third factory with an area of more than 50,000m² is currently under construction. This is a factory that produces ready-to-drink and ready-to-eat products such as cereal milk, yogurt, plant-based drinks, etc.

THE EXPERT IN CEREALS

**DIET INSTANT
CEREAL**

**NUTRITIOUS INSTANT
CEREAL**

**VIETDAI
INSTANT
CEREAL**

Vietdai Instant Cereal products are successful combinations of cereals and precious herbs, meeting diverse demands of different consumer segments. Products are entirely made from natural grains with no coloring agents and preservatives added for the sake of consumers' health.

DIET INSTANT CEREAL

**DIET
Instant Cereal**
Suitable for people with diabetes and
blood sugar disorders

Ingredients

Soybean, maize, whole grains, mung bean, non-dairy creamer, goji berries 5%, lotus seeds 5%, oppositifolius yam 3%, makhana 2%, coconut powder, fructose, isomalt (INS 953) 1.2%, salt, ilunin, vanilla flavor, calcium phosphate, ferrous (II) sulphate, zinc oxide, vitamin D3 (cholecalciferol), steviol glycoside.
No preservatives, no coloring agents, no sugar added.

Description

Recommendations

Suitable for adults and children over 3 years old. Consume product right after opening the package. Use 2-3 sachets per day for the best result. Do not use product after expiry date.

How to use

Mix one sachet of Viet Dai Instant Cereal Cocoa Oat with 120ml-150ml of hot water (above 90 °C). Stir well before serving.

Packaging specifications:

450g (15 sachets x 30g), 18 bags/carton

100% **INGREDIENTS** FROM **WHOLE GRAIN CEREALS**

Recommendations

Product is for one-time use only.
Do not use the product if there are signs of damage.
Due to whole grain ingredients, the composition of the product may settle or have a light brown color on the surface. This phenomenon is completely natural and does not affect the quality of the product.

How to use

Suitable for adults and children over 3 years old.
Tastes better when refrigerated.
Recommended to use 2-3 packs per day.
