VIETNAM

Tropical country

Favored by nature with hundreds of fresh tropical fruits, each rich in unique and authentic flavors.

the world's ^{favorite distinctive} flavors

From abundant and distinctive natural ingredients, DATAFA continuously innovates to create refreshing, natural fruit beverages with a unique character.

Driven by inspiration

Endless inspiration from nature drives DATAFA to continuously create natural, pure fruit beverages that capture the authentic taste of Vietnam.

WE MANUFACTURE & DISTRIBUTE

From a small beverage manufacturing company, after more than 15 years of relentless effort, we have grown into a large-scale enterprise with over 1,000 employees and a modern production system that meets international standards.

This journey is the result of perseverance, innovation tailored to market tastes, and a strong commitment to elevating product quality every single day.

PRODUCTS *Datafa*[®] COFFEE

Vietnam is one of the world's leading coffee exporters, renowned for its bold Robusta and delicate Arabica beans.

Coffee is not only a beverage but also a cultural symbol – deeply woven into daily life and reflecting the creative spirit of the Vietnamese people.

Ready - to - Drink COFFEE

Quick and convenient coffee – energizing, refreshing, and low in calories

- Flavored Coffee Mix – 330 mL Can
- Mixed Bean Coffee – Premium Blend
- Milk Coffee – 250 mL Can
- Milk Coffee – 330 mL Can

Freeze-Dried Coffee

Drip Coffee Bag

Roasted & Ground Coffee

Instant Coffee

From carefully selected coffee beans grown in the red basalt highlands, each batch is meticulously roasted and ground to perfection.

The result is a refined aroma, a well-balanced taste, and a flavor that embodies the authentic Vietnamese spirit—pure, rustic, yet captivating.

PRODUCTS *Datafa*[®] **FRUIT-BASED**

Vietnam is a fertile land blessed with an abundance of tropical fruits all year round – from mango, passion fruit, pineapple, and coconut to orange and pomelo.

Fruit beverages, rich in vitamins and bursting with freshness, are nature's gifts crafted by human ingenuity, bringing pure energy and refreshing vitality to modern life.

FRUIT TEA

From Thai Nguyen to Bao Loc, each tea-growing region offers a unique taste, shaped by climate, soil, and the skilled hands of Vietnamese artisans — creating refreshing cups rich in cultural identity.

Peach tea

Canned Fruit Tea

From traditional loose-leaf teas, blended with fruity flavors to create a distinctive, delicious taste with low sugar content.

FRUIT JUICE

Nature has blessed Vietnam with a tropical climate, making it home to a wide variety of fresh, delicious fruits rich in vitamins. These fruits are ideal for producing natural refreshing beverages.

Fruit Juice

Fruit and Vegetable Juice

Mixed Fruit Juice With Pulp

Fruit juice with real pulp or fruit flesh is rich in vitamins and full of natural flavor.

It is one of the signature beverages that attracts growing interest from health-conscious consumers.

Aloe vera PET

Aloe vera can

Fruit Juice With Nata De Coco

Fruit Juice with Popping Boba

Basil Seed Juice Drink

Fruit juice with textured toppings not just refreshing, but also fun to drink. Different types of toppings make each sip more exciting and unforgettable.

Bird's nest premium 15%

Bird's nest premium 15% sugar-free

Bird's nest for children strawberry flavor

Bird's nest for children vanilla flavor

Bird's nest premium 8.5%

Bird's nest premium 8.5%

Refined Bird's Nest 100g

Refined bird's nest is raw nest that has been carefully cleaned of feathers and impurities

Raw Bird's Nest 50g

Refined bird's nest is raw nest that has been carefully cleaned of feathers and impurities

BIRD'S NEST

"Bird's nest is a precious delicacy formed from the salivary glands of swiftlets. After hours of flying and building nests in a completely natural environment, each nest crystallizes into fine, white strands rich in essential nutrients."

Refined Bird's Nest 50g

The structure of refined bird's nest differs from raw nests, as it has been carefully cleaned of feathers and impurities, and thoroughly sterilized before packaging.

Refined Blood Nest

A rare and highly nutritious product, commonly used in cuisine and traditional medicine. Sterilized with UV light before packaging

PARTNERSHIP INVITATION LETTER

Dear Valued Partner and Customers,
Greetings from DATAFA!

We are proud to be a leading company in the production of premium bird's nest products and high-quality beverages, made from natural ingredients and aligned with the standards of "Vietnamese High-Quality Goods."

In our effort to expand our partnership network and deliver a wider range of products to consumers, we sincerely look forward to cooperating with your esteemed company in the field of OEM and ODM manufacturing.

With a professional team and a modern production process, we are committed to providing you with products that meet the highest standards of quality.

We warmly invite your collaboration and sincerely thank you for your trust!

Sincerely,

D
