ABOUT DIAMOND COMMODITY CO., LTD

Diamond Commodity Co., Ltd is a member of a Group of family-owned companies specializing in rice. Our factories located in the Mekong Delta - South West of Viet Nam, where the soft from fertilize soil, the natural aroma from tropical climate and the purity from seeds to serve our customers all over the world. Our factories, with highly advanced state-of-the-art machinery and techniques for rice improvement, we have successfully gained trust and confidence from customers and supplied rice to markets throughout the world worldwide.

Our quality products, skillful management, and well-organized manufacture have contributed us to receive the certificates of BRC, GMP, and HACCP. Our continued attempts to be “Your True Friendly Partner” have been proven and perfectly explain why we and why we are one of the leading Viet Nam rice exporters.

Diamond Commodity Co., Ltd mission is to produce and deliver the finest Viet Nam rice of only the highest quality – in a safe, hygienic, reliable, trustworthy, efficient and environmentally friendly manner

OUR PRODUCTS

Viet Nam Jasmine rice

is commonly known as Jasmine Rice/ Fragrant Rice. It can be harvested only once a year. With its unique characteristics whether its appearance, tenderness and natural aroma

Viet Nam White rice

is the long grain type. Viet Nam White Rice Crop can be harvested twice to three times a year. Thus it is abundant and widely available for a year. When cooked, it has a firm texture and gives a high volume of cooked rice.

OUR PRODUCTS

Viet Nam Glutinous Rice

or called Sticky / Sweet Rice. With its milky white grain that is distinguish from other varieties and combined with special feature sticky and natural aroma after cooking, it could be cooked for main dishes and dessert marvelously.

Viet Nam Long Grain Brown Rice

is a variety of long grain rice that is native to Viet Nam. It has greater health benefits than white jasmine rice because it still has the bran. It contains gamma oryzanol which can decrease cholesterol in blood vessels and also vitamin A, B, Beta-carotene and antioxidants to support working of nervous system.

OUR PRODUCTS

Viet Nam Premium Calrose Rice

is the short grain type. It is mainly planted in the South of Viet Nam. Calrose Rice Crop can be harvested twice to three times a year. When cooked, it has a soft texture.

Viet Nam Red Nutrition Rice

also known as red jasmine rice, has many health benefits over other rice varieties. It is higher in fiber and contains an antioxidant called anthocyanin which gives it its reddish color. Viet Nam Red Nutrition Rice is a good source of iron, calcium, and vitamins B. It may help reduce cholesterol and improve circulatory function. This is truly healthy rice.

OUR PRODUCTS

Viet Nam Riceberry

is long grain shape brown rice with much soft texture and can be grown all year round. Riceberry contains high in Antioxidants, Beta-carotene, gamma oryzanol, vitamin E, tannins, zinc, and high folate. It is suitable for those who care about health.

Viet Nam Sushi Rice

is white short-grain Japanese type rice or medium-grain California rice. (white) short-grain sticky in texture and is able to be easily picked up with chopsticks. The rice to make sushi, rice balls and in everyday Japanese dishes. It is also the type of rice being used to make sake and rice vinegar.

OUR PRODUCT

Viet Nam Brown Sushi Rice

is short grain (Sushi), it has greater health benefits than white Sushi rice because it still has the bran. It contains gamma oryzanol which can decrease cholesterol in blood vessels and also vitamin A, B, Beta-carotene and antioxidants to support working of nervous system.

Viet Nam Basmati Rice

Is actually extra long grain white rice, which is soft just like Viet Nam jasmine rice but less sweet smelling. Also it's a year round crop and can be grown in an easier way. It has a natural aroma depending on its age, and when cooked, the rice kernels have a tender texture.
