*Since 2014, VHB Group has evolved from a domestic F&B distributor into a premier international enterprise and a leading exporter of high-quality agricultural and FMCG products. Built on trust and supply chain excellence, we create sustainable links between premium producers and global consumers.*

*To further strengthen this international reach, VHB Group operates its strategic subsidiary, M-Pacific. By leveraging extensive market expertise and reliable logistics, M-Pacific drives the Group's mission of delivering world-renowned brands to the global market.*

## OUR MISSION

To be a premier global partner. We are dedicated to delivering high-quality FMCG and agricultural products through a seamless supply chain, backed by a commitment to exceptional service and partner support.

## OUR VISION

We aim to redefine the global distribution landscape. Through VHB Group's leadership and M-Pacific's innovative solutions, we strive to become the first choice for partners worldwide, contributing to the collective growth of the industry.

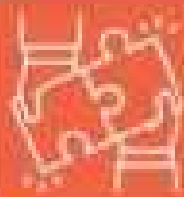

# OUR VALUES

VHB Group is guided by a set of core values that serve as the foundation of our organization culture.

## CUSTOMER FOCUS

Deliver exceptional value and experiences that exceed customer expectations.

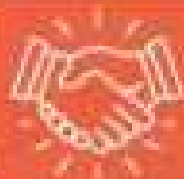

## INTEGRITY

Build trust through honest transparency and ethical conduct.

## EXCELLENCE

Strive for continuous improvement in all aspects of our business.

## PARTNERSHIP

Foster strong, collaborative relationships with all customers, suppliers and employees.

## INNOVATION

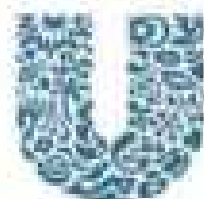

Develop smart and unique through creativity and ingenuity.
