ESSENTIAL SPICES FOR LIFE

DK Commodity Co., LTD is specializing in processing and exporting pepper, cinnamon, turmeric, and star anise in Vietnam. It was founded in 2013 with a processing line to make the finest quality semi-products for customers around the world.

In 2018, DK Commodity Co., LTD became the first Vietnamese company which pioneer in investment of manufacturing and packaging system for spices facility by installing top of the line modern machineries (Steam Sterilization (SAFESTERIL – SWITZERLAND) and Grinding (BHULER – GERMAN)), equipment and Lab.

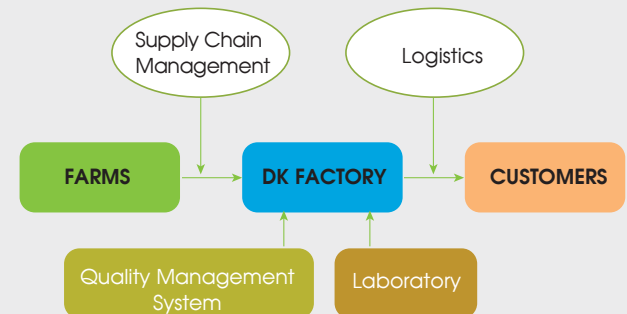

We do it by seamlessly integrating the latest innovation and technology. The system is fully automated from the steam sterilization, drying to packing section; thus eliminating any manual handling of products and enabling the delivery of premium quality spices.

Our in-house labs fully equipped to conduct physical, chemical and microbiological tests, and climate controlled storage to maintain freshness.

DK'S RAW MATERIAL AREAS

ARE IN CENTRAL HIGHLAND – VIETNAM

DK's raw material areas are in Central highland – Vietnam where is home of the highest pepper yield. DK focuses on implementing sustainable agricultural standards, to boost farm yields, to improve farm returns and to maintain continuity of supplies; integrated farm management for monitoring recording and maintaining farmer lot traceability. DK is responsible and develop RA sustainable program with our cooperated 400 farmers for 600 hectares pepper yield in Cu M' gar District, Daklak province, Vietnam.
