The essence
**OF VIETNAMESE RICE
 TO CONQUER THE WORLD**

Mekong Group is one of the leading enterprises in Vietnam, specializing in supplying rice and rice-based products to both domestic and international markets. With the aspiration to spread the essence of Vietnamese rice, we continuously strive to deliver high-quality products and reliable services, thereby enhancing the value of Vietnamese agriculture and promoting sustainable development.

On this journey, Mekong Group has risen to become one of the top 3 rice exporters in Vietnam, while also pioneering in connecting rice trade from Myanmar to Indonesia. This milestone affirms our position in both regional and global markets.

Today, Mekong Group has exported to more than 30 countries all over the world. Renowned rice varieties such as ST25, Fragrant, Jasmine, 504, 5451, Glutinous and Japonica have become familiar choices among international consumers. Consistent quality and long-standing credibility have been the foundation for Mekong Group to earn strong trust from customers worldwide.

For us, sincere partnership is always a top priority. We believe that only by working together can Mekong Group bring the authentic taste of Vietnam to family meals across the globe.
